Dave,
man, we never really got to talk much. that's sad. You are very nice and sincere and very bright. I'm very glad that I have the pleasure of knowing you. If you want you can call me - 368-2374. Enjoy you summer and practice your basketball - even though you don't need it.

Love lots,
Diana

Dave,
We got to be pretty good friends this year. It had been 4 years since we played for the ~~Kni~~ Knights. But I truly hope we can get together over the summer and play ball or something O.K. Good Luck and we'll see ya hooping next year and get a scholarship

Steve (Honable) Costello

Dave, It's been great working with you in the office. Take it easy this summer. Mabee I will see you next year.

1979 marked the end of a decade, and the end of the old Mid-Valley League for the Golden Cougar football squad, as they were placed in the newly-formed Valley 4-A League in which seven of the top teams in the San Fernando Valley competed.

When Assistant Head Coach Don Tamburro commented at the beginning of the season that "this division will definitely be tougher than the old Mid-Valley league", he probably didn't realize just how tough it would be.

Two days before the game against Kennedy's first Non-league opponent, Chatsworth, the Cougars lost two of their starting offensive linemen to injuries. The Cougars did not recover from this blow in time to hold off the Chancellors of Chatsworth, to whom they fell 20-13.

Although quarterback junior Bob Daniels threw for 292 yards on a cold rainy evening against the Washington Generals, the Golden Cougars could not overcome a 20-0 halftime deficit, and succumbed to the Generals 27-13 in their second and final practice game of the 1979 season.

In their first game in the new league, Kennedy faced their perennial crosstown rival, the Granada Hills Highlanders. Quarterback senior Dave Stone, coming off a knee injury, entered the game in the final minutes and led the Cougars on a 60-yard scoring drive, giving the team a 15-14 victory over the Highlanders.

Running back senior Rodney Harris rolled up 107 yards as the Cougars handily beat the Monroe Vickings, 21-0.

A hard-nosed Cougar defense pummelled the Taft Toreadors 14-3 for the Golden Cougars' third straight win.

Things seemed to go downhill after the Taft game, as the Golden Cougars dropped their final three games of the season 35-20 to San Fernando, 14-9 to the eventual league champion El Camino Conquistadors, and 28-13 in the Golden Cougar's homecoming contest against the Cavaliers of Cleveland.

Receiving post-season honors as outstanding players in the Valley 4-A league are juniors Paul Jones (receiver), Mark Korff (linebacker), Todd Boggio (punter), and senior Eric Myles (defensive back) on the first team. Filling out the second team are seniors Jon Garner (defensive tackle), Jeff Scott (offensive tackle), Rodney Harris (running back), and junior Bob Daniels (quarterback).

Basketball was the sport on the minds of all Kennedy fans in the Year 9, as the Golden Cougar varsity squad completed one of its most exciting years ever, advancing all the way to the City 4-A finals at Pauley Pavillion before losing to City champion Crenshaw.

Led by City Player of the Year, junior center Stuart Gray, the Cougars compiled a 16 game winning streak, took the league crown with a 10-0 record (extending their league winning streak to a phenomenal 33) and thrilled packed houses in the "Cougar Den" all year.

Starting off slowly with a 4-4 record in pre-season, the Cougars picked up steam as they headed in to league play, demolishing all their opponents with relative ease.

Coach Dean Cadwell then led his team into the playoffs, where they eked out two thrilling wins over Dorsy and Hamilton at Kennedy, with senior guard Henry Conley sinking a last second jumper to defeat Hamilton and send the Cougars to the semi-finals at the Sports Arena.

There, against a heavily-favored Manuel Arts team that was already planning a trip the the finals, the Cougars played with great precision, demolishing the Tigers 75-59.

From there the Cougars advanced to the City "AAAA" finals at Pauley Pavillion to play as the underdogs again, this time to defending City champion Crenshaw.

Crenshaw was favored by as much as 22 points, but the Cougars ran even with them throughout the game, and led most of the way. But Crenshaw put on a last minute spurt in the fourth quarter, and the Golden Cougars went home City runner-ups for the second time in three years.

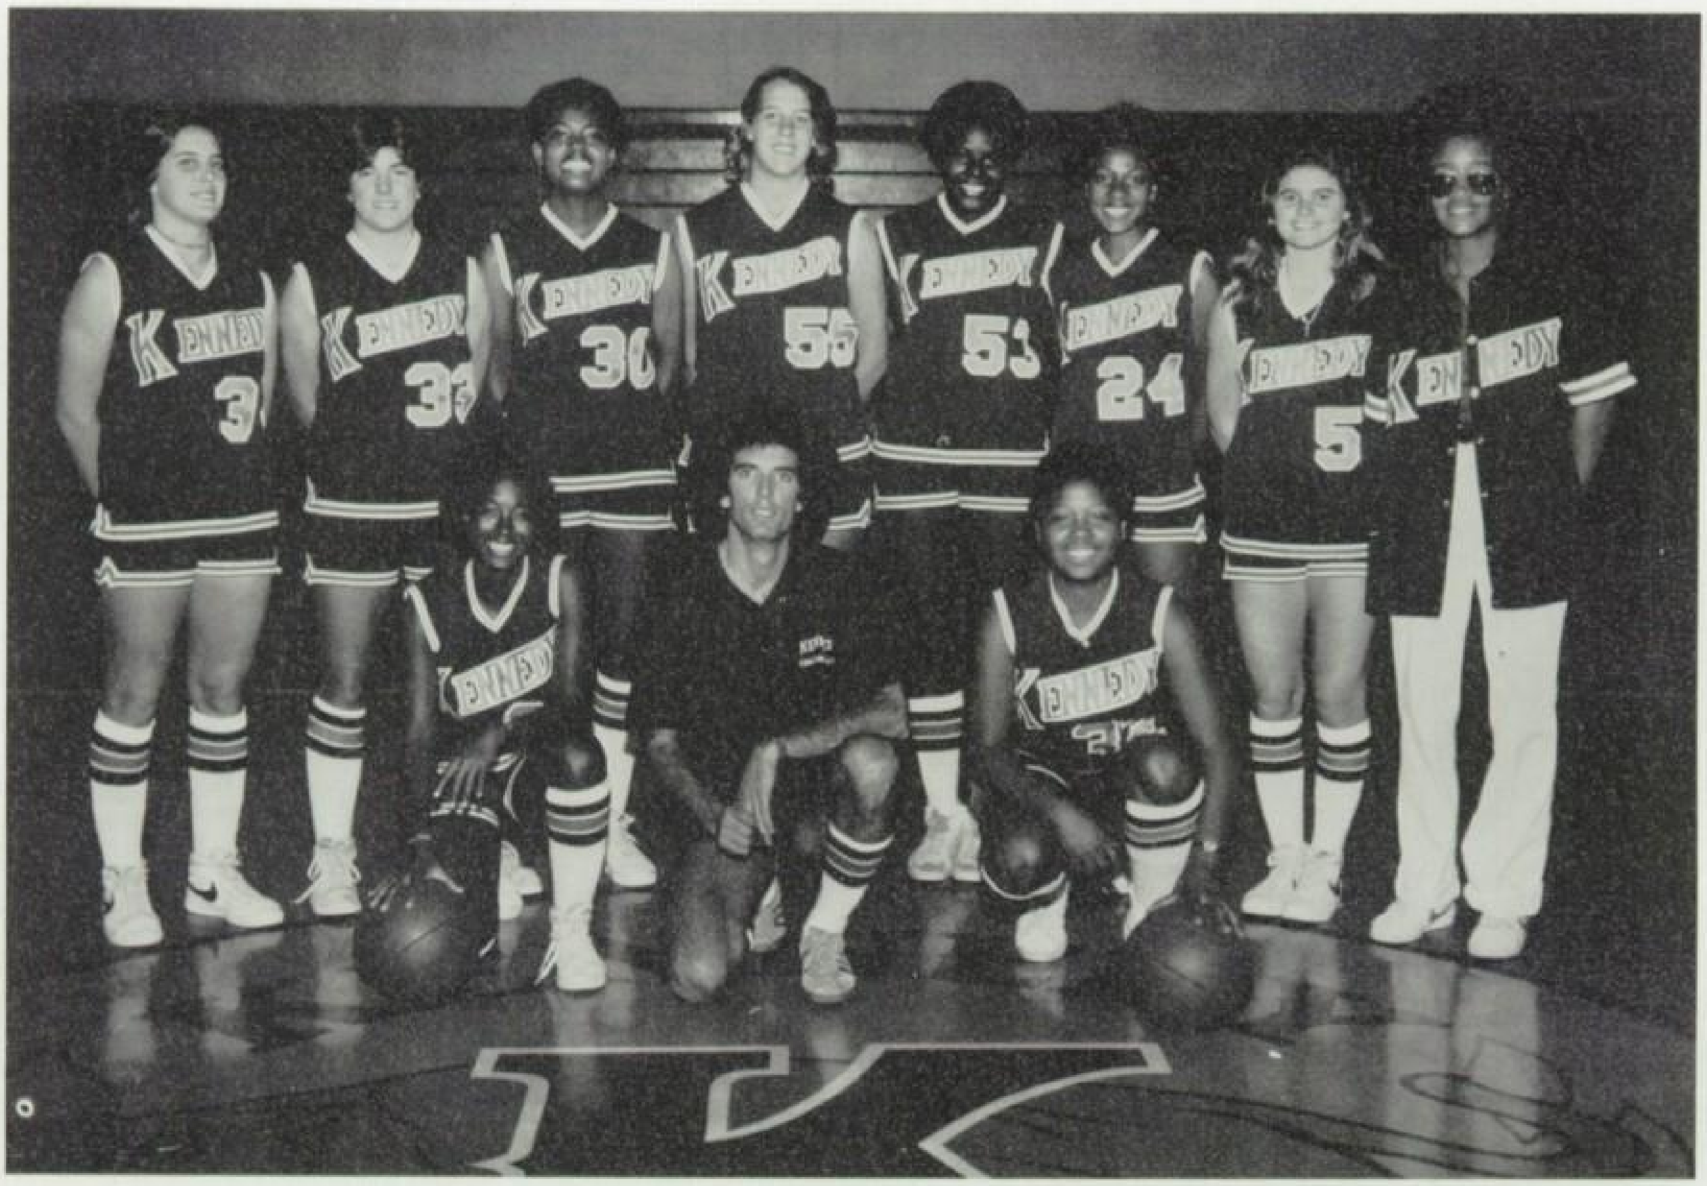

Awards were plentiful for the Cougar squad in 1980. Stuart Gray in addition to being named City Player of the Year and to the first-team All-City, was named the co-MVP of the City playoffs, High Scorer in the Pauley Pavillion contest, and received the Mid-Valley League MVP nomination.

Senior forward Mark Nuby placed on the second All-City and the first All League teams. Senior guard Henry Conley received a second team All-Mid-Valley selection, and senior guard Lance Roberts received an honorable mention.

The Golden Cougar basketball squad was certainly the highlight of Kennedy athletics in the Year 9.

KENNEDY

After losing six starting seniors from a year ago and head coach Len Kovach, the Golden Cougar Varsity Soccer Team fell just short of the playoffs this season, finishing 3-3-4 in the league and 4-5-4 overall.

It was a frustrating season for the feetmen, as evidenced by the four ties. Even with all of those ties, the Cougars were in the race for the Mid-Valley League title until the final week of the season, when they lost their last two games.

The '79-'80 campaign began as inauspiciously as it ended, with a tight 1-0 victory over a mediocre Chatsworth squad in the first pre-season game followed by consecutive losses to Grant, 3-2, and Fairfax, 5-3.

Two of the Cougars three league victories were easy, 4-0 routs of Monroe, the first of these coming in the league opener at Petit Park.

After a tough loss to Van Nuys, the Cougars tied their next three games with Birmingham, Granada Hills, and San Fernando. Kennedy dominated all three of those contests, but a possible winning goal eluded them each time.

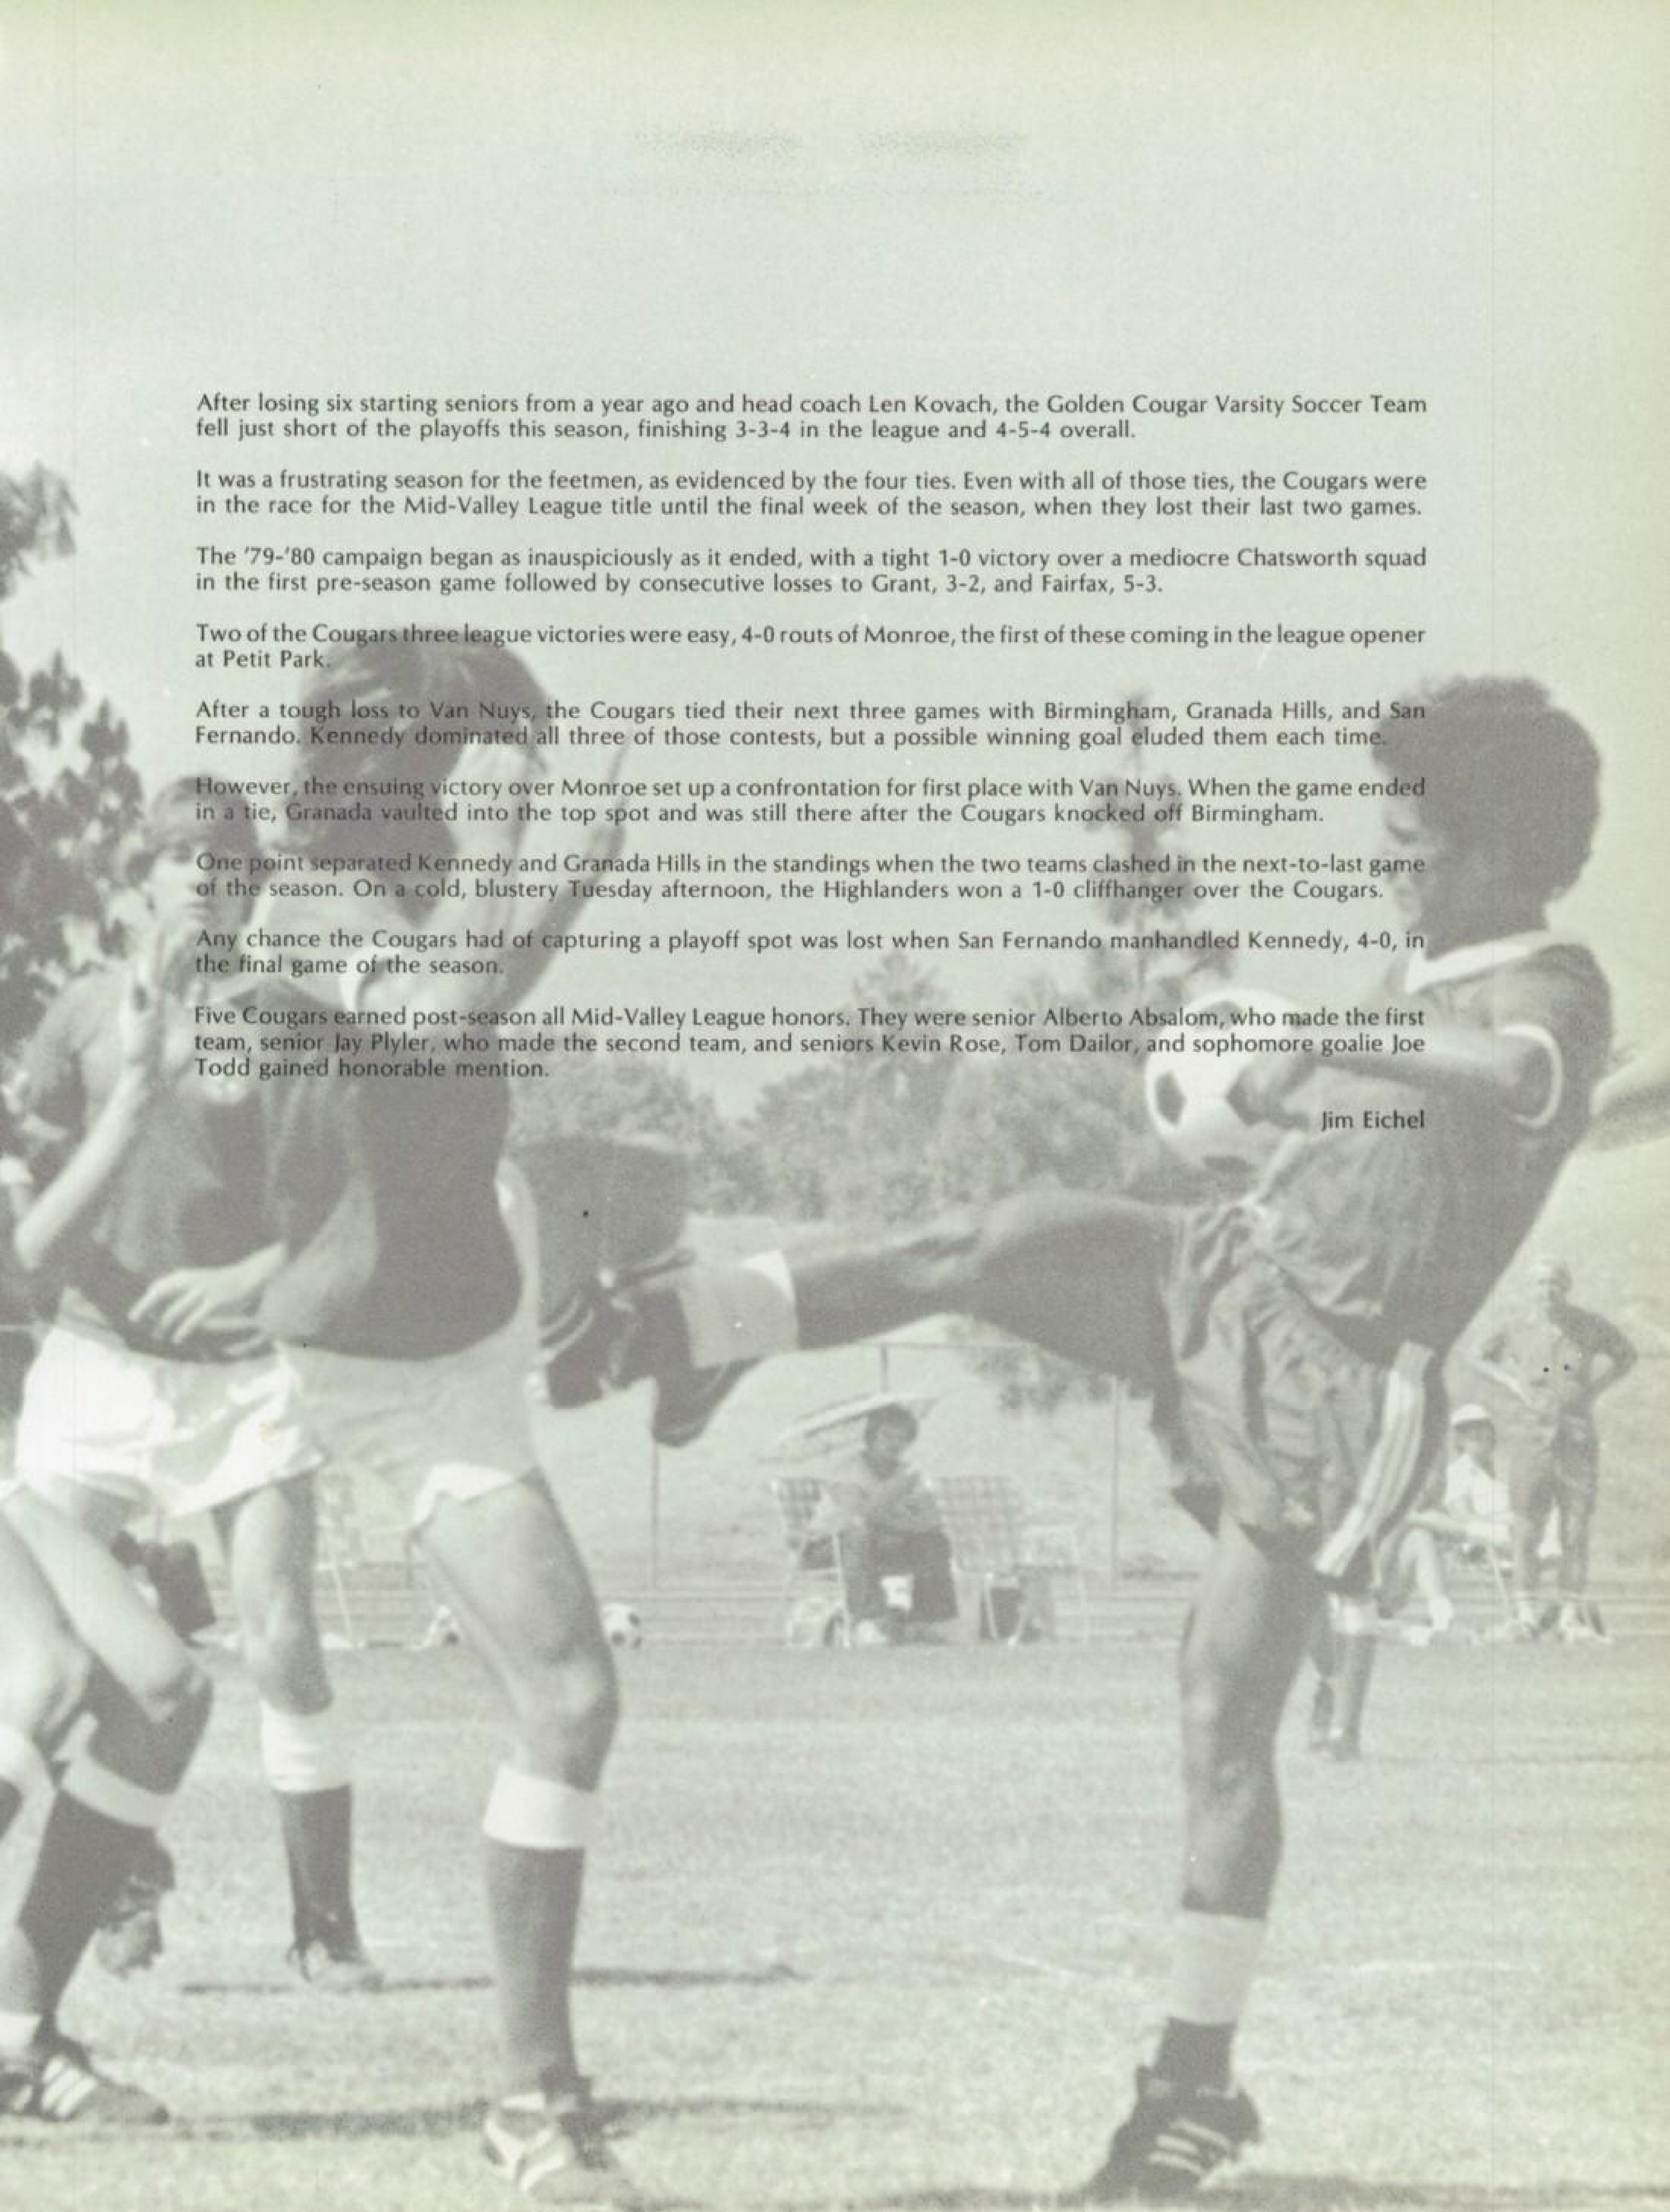

However, the ensuing victory over Monroe set up a confrontation for first place with Van Nuys. When the game ended in a tie, Granada vaulted into the top spot and was still there after the Cougars knocked off Birmingham.

One point separated Kennedy and Granada Hills in the standings when the two teams clashed in the next-to-last game of the season. On a cold, blustery Tuesday afternoon, the Highlanders won a 1-0 cliffhanger over the Cougars.

Any chance the Cougars had of capturing a playoff spot was lost when San Fernando manhandled Kennedy, 4-0, in the final game of the season.

Five Cougars earned post-season all Mid-Valley League honors. They were senior Alberto Absalom, who made the first team, senior Jay Plyler, who made the second team, and seniors Kevin Rose, Tom Dailor, and sophomore goalie Joe Todd gained honorable mention.

This year has really been a blast. Part of the reason is because I've become good friends with you and the rest of the tribe. You're really a classy person whose got a lot going for him. I know this summer will be a continuation of all the good times we had during the year. Just think, we are SENIORS! It sounds so WIERD! Have a great summer & I know I don't even have to say to keep in touch over the summer, because this "gang" of ours will stick together like glue!

I'm glad you realize just how much work goes into being a basketball manager... or do you? English was a lot of fun this semester, with all the obscene gestures, "coughs", and other things. Next year we'll have some fun as seniors (especially at open house) Have a great summer.

David — Wasn't Chemistry Fun?!? Too Bad we didn't learn anything except how to tell time (10:50) You, Good Luck and all that stuff! Take care, too. Love, Brenda Griffin

Dave,
Hi Cutie! I'm glad
we had classes together
but too bad they were
boring. I really hope we can
get to know each other better next
year - you're a really nice person.
I'll be down at the school a lot this
summer practicing for Drill Team camp,
come down and see me if you can - after all
3 months is a long time to be away from school!
Have a nice summer, I hope everything turns out
good for your knees; keep playing ball - I expect to
see a "star" on the court next year.
take care,
Denise T.

Dave -
I'm glad we met this
year, because you know how
hard it is to find someone
else who knows music.
We'll do a lot this
summer. So good luck
in Basketball.

The Cloud

I am a cloud in the
heaven's height,
The stars are lit
for my delight,
Tireless and changeful,
swift and free,
I cast my shadow on
hill and sea —
But why do the pines
on the mountains crest
Call to me always,
"rest, rest"

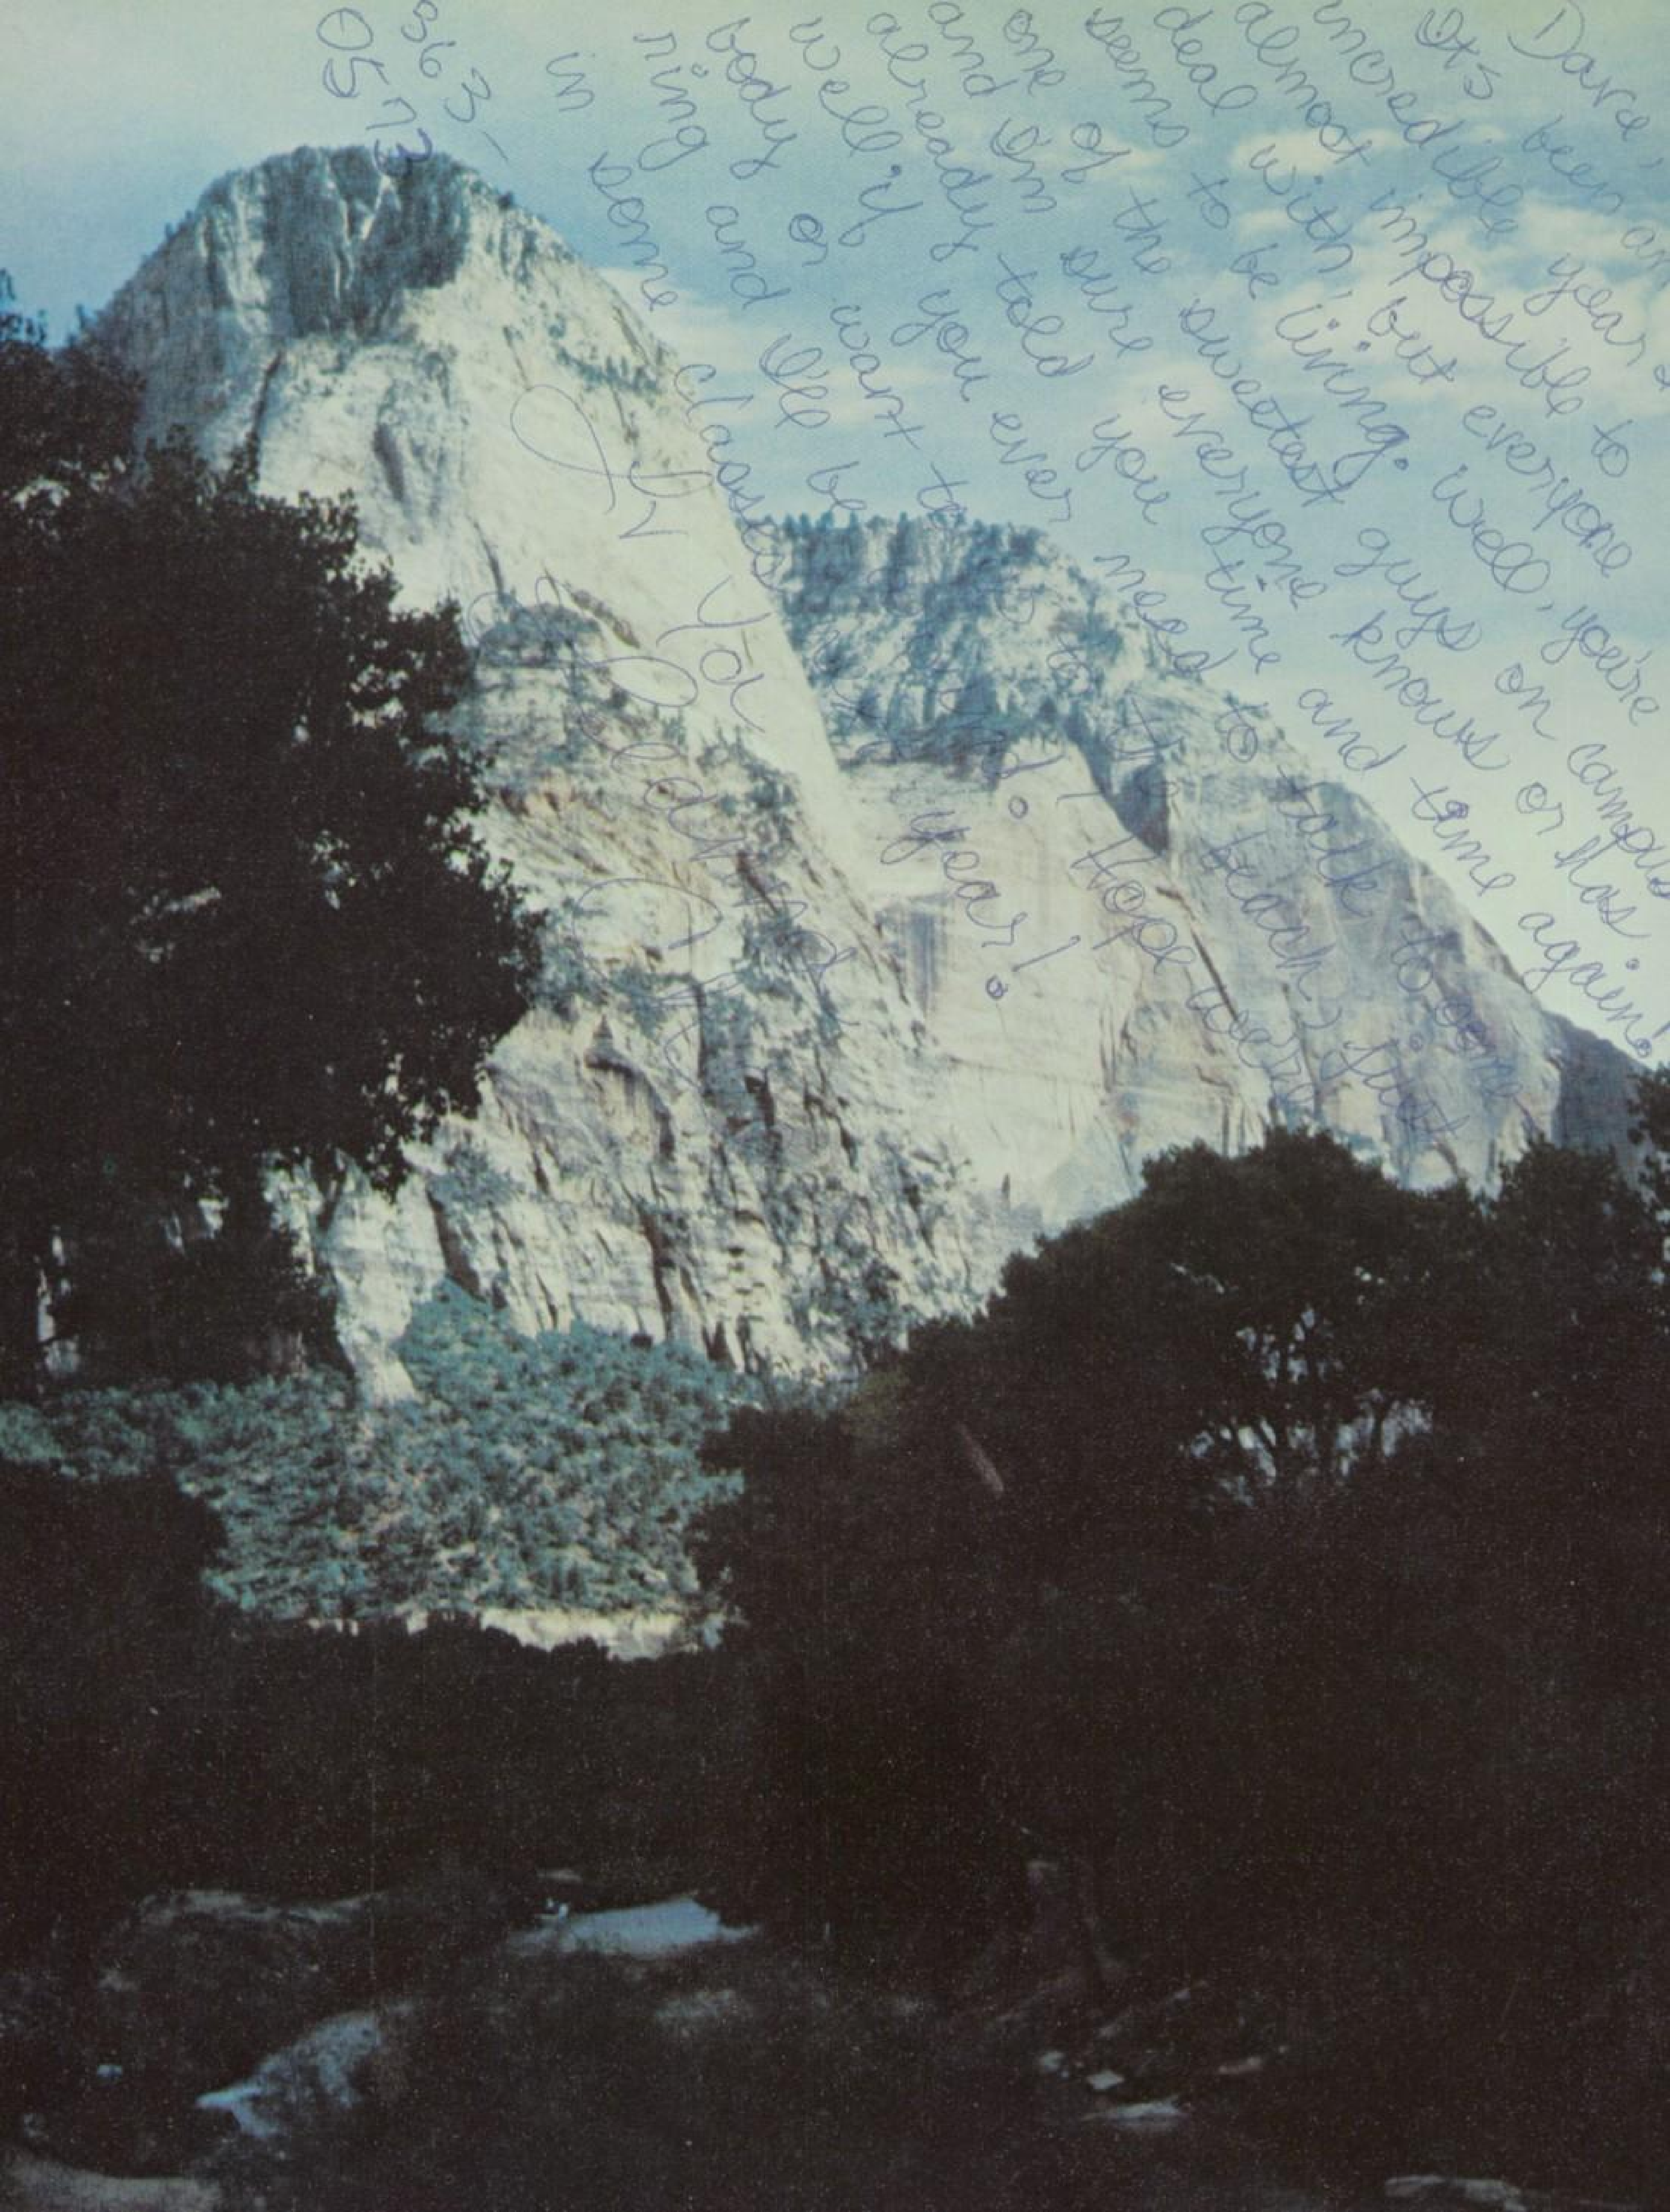

I throw my mantle over
the moon
And I blind the sun
on his throne at noon,
Nothing can tame me,
nothing can bind,
I am a child of the
heartless wind —
But oh, the pines on
the mountain's crest
Whispering always,
"Rest, rest."

Sara Teasdale

Dear Dave,
To truly one of the
nicest people in the world.
You always give me the feeling
that I can talk to you at
any time and I appreciate
that very much. Good friends
are hard to find these days.
I'm really forward to cheering
for you this fall. I have
lots pride and respect for
ya even though we don't agree
on the "hottest guitarist".
I Love Ya,
RAH! Alisha

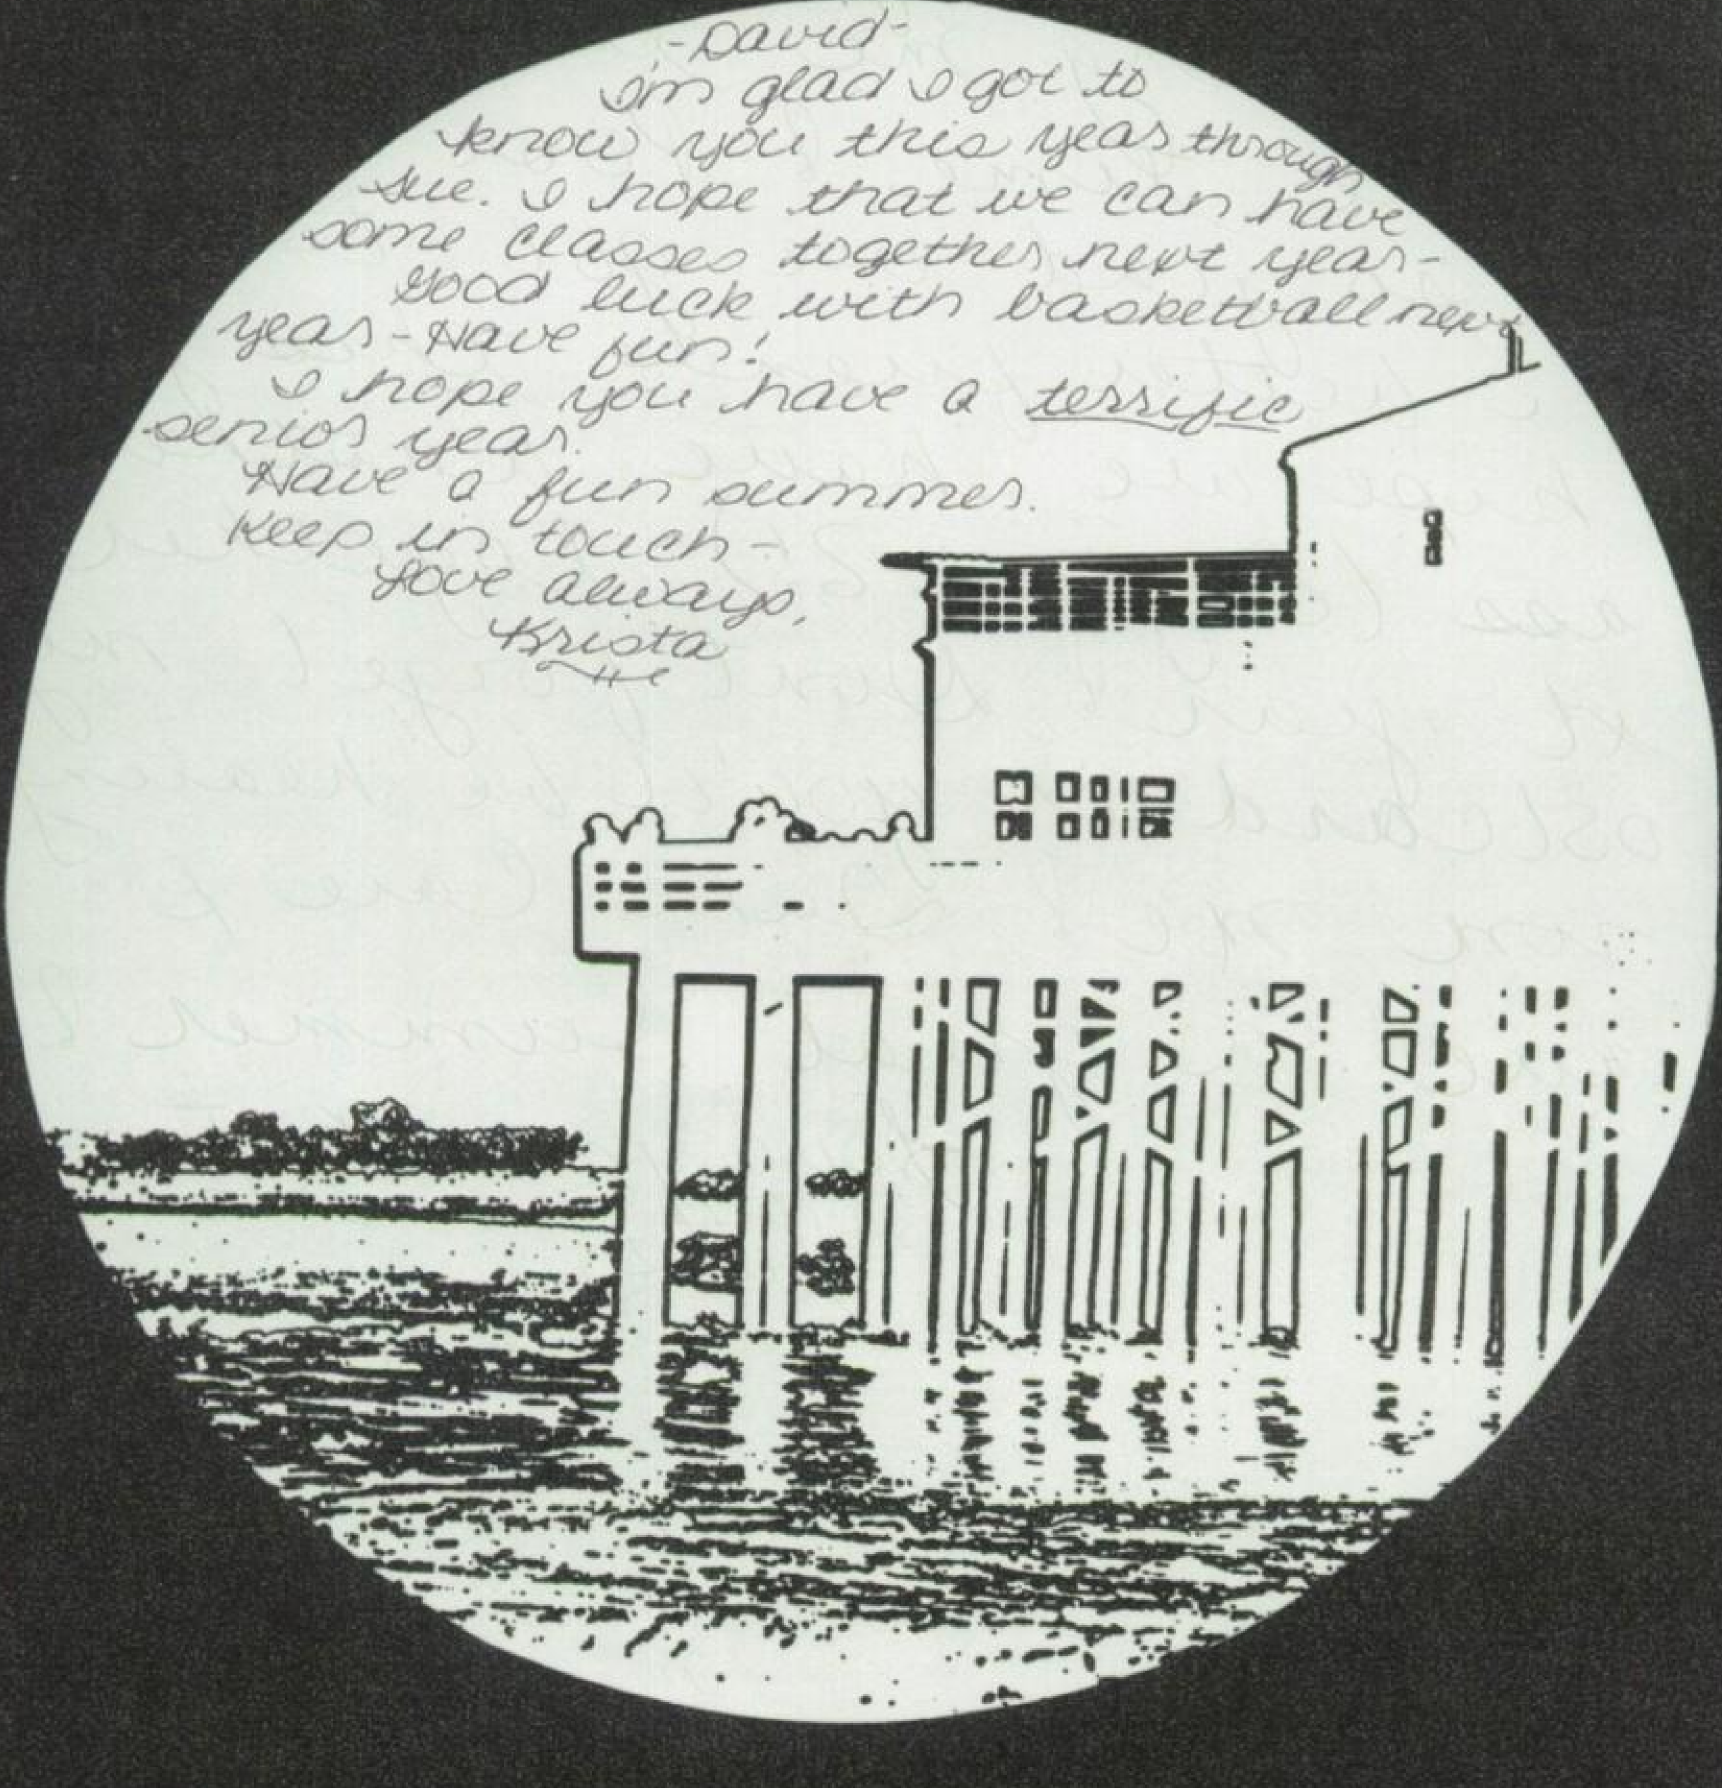

Dave, cranberry
Once again, right? You're
really great, thanks for
being such a good friend
and letting me tease ya
all the time! Poor Cranberry!
I'm so glad we got to be
even better friends this year.
I hope we have another
class (English 2!) together
next year! Don't forget my
postcard or you'll be hearing
from me! Take care &
have a great summer!

Love ya
Lots,
Rissie

Mountain Water

You have taken a drink from a wild fountain<br>
Early in the year;<br>
There is no where to go from the top of a mountain<br>
But down, my dear;<br>
And the springs that flow on the floor of the valley<br>
Will never seem fresh or clear<br>
For thinking of the glitter of the mountains water<br>

-Dave-
I must say the worst candidate won for Clubs & Elections. Good luck next year. You'll need it! I had a helluva lot of fun in Genesen's, it was fun, but who can take it at 8:00 in the morning. All in all you're an O.K. guy, and I'll be proud to announce next year "Starting at one forward, number 12, David Gran... uh-Grand uh hell here he is!"
Yours sincerely
Kibby K.
